- 7. Winner Selection:** The odds of winning a prize depend on the number of eligible entries received during the Sweepstakes Period. On or around April 18, 2018, Administrator will randomly select 8 potential winners from among all eligible entries received during the Sweepstakes Period. Each winner is deemed to be a potential winner pending verification of their eligibility and compliance with these Official Rules as determined by Sponsor, at Sponsor's sole discretion. Administrator's decisions regarding the administration and operation of the Sweepstakes and the selection of the potential winners are final and binding in all matters related to the Sweepstakes.

Each potential winner is subject to verification of their eligibility. If a potential winner cannot be contacted, fails to respond to Administrator's notification and/or execute and return any requested documentation within the required time, is found to be ineligible or is non-compliant with these Official Rules for any reason, then the potential winner forfeits such prize and Administrator may select another potential prize winner, as time permits. In the event that a potential winner is disqualified for any reason, Sponsor may, at its sole discretion, award the applicable prize to an alternate winner by random drawing conducted by Administrator from among all remaining eligible entries. In such cases where a prize is not accepted or where a prize is forfeited, there may, as necessary and at Sponsor's sole discretion, be 3 alternate drawings, after which the prize, if not accepted by an eligible winner, will not be awarded. Prizes will be fulfilled approximately 6 to 8 weeks following winner verification.
